Be a Part of BJE History
Participate in the BJE Heritage Art Project

As we celebrate 100 years of Communal Jewish Education, leave your lasting mark on the BJE and be part of history.

Our Heritage Art Project is a tapestry of canvases that will be completed throughout the centennial year by individuals, families, students, teachers, like yourself. Once completed, our work will be hung in the entrance to the BJE Smulyan-Stolkin Education Center to greet visitors to our Bureau and illustrate our rich Jewish history.

For just $36, you are invited to decorate a canvas tile that will be incorporated into our communal art project. Each 12″ x 12″ canvas tile also includes having your name in Hebrew and/or English inscribed.

Proceeds raised go to the Centennial Fund.
