All Sessions are 9:30 a.m. — 11:30 a.m.

The BJE preschool offers classes from twos through full day Kindergarten, including four year old program and Junior Kindergarten programs that are unique and meet the needs of the developing child.

Classes will be in session and prospective families will have the opportunity to meet the staff. Parent volunteers will be on hand to provide building tours. All programs offer hands-on learning with a broad range of age appropriate content that is integrated into the daily curriculum. Special area teachers enhance the programming and work with the staff to offer an education that meets the needs of the whole child.
